

## Creation of a virtual museum

1. We watch the following video:

<https://www.youtube.com/watch?v=s8Z2D86oXSA>

2. Then we create our own museum which will have:

- a. entrance that leads to at least two rooms
- b. the 1<sup>st</sup> room with Physics experiments
- c. the 2<sup>nd</sup> room with Chemistry experiments
- d. the 3<sup>rd</sup> room with Biology experiments

Each of the science rooms should consists of the following features:

- Title of the experiment
- The materials needed for the experiment in English
- Photos
- Video
- Links in order to return to the initial place

All you need (photos, video, instructions) is found in the following link:
