connections
with nature*

IE Castellterçol
Catalonia (Spain)

Coll de Burgarès, in Catalonia (Erik)

In this picture, I was on a mountain in Coll de Burgarès, in Catalonia. On this mountain there were a lot of animal noises.

There were very big green trees, especially pine trees, typical of the high mountains. There was dark green grass. I saw birds, crows, cows, horses, squirrels and wild pigs.

The weather was very cold because we were at 1360 meters. I could hear a squirrel cloud in the trees. I was with some friends who were going by bike.

Our connections with nature

Ireland (Guim RG)

In this picture, I was in IRELAND with my mother and my sister last summer. This place is called the Bridges of Ross, on the west coast of Ireland.

The landscape is very beautiful: it's a natural bridge over the Atlantic Ocean, with big waves. The land is very green because it rains a lot.

I was searching for minerals and I found this one in the other picture.

I was very happy.

My connection with nature

National Park of Aigüestortes, Catalonia (Guim RR)

In the picture, I was in the Natural Park of "Aigüestortes". It's a very nice natural park. It has beautiful routes and very good views.

We walked along a route that passes by a waterfall and some lakes. We saw birds, some eagles and two deers. The air was fresh and natural.

There are a lot of trees, flowers of all colours and grass.

Higher, in the mountain there was snow. There was a lot and it reached my shoulder.

I was so happy there. I will try to go again someday. It was so cool!

IN RIPOLL, CATALONIA (ISAAC)

In this picture I was on a mountain in Ripoll, a town in Catalonia. These mountains are so high. The place is very beautiful. There are big trees.

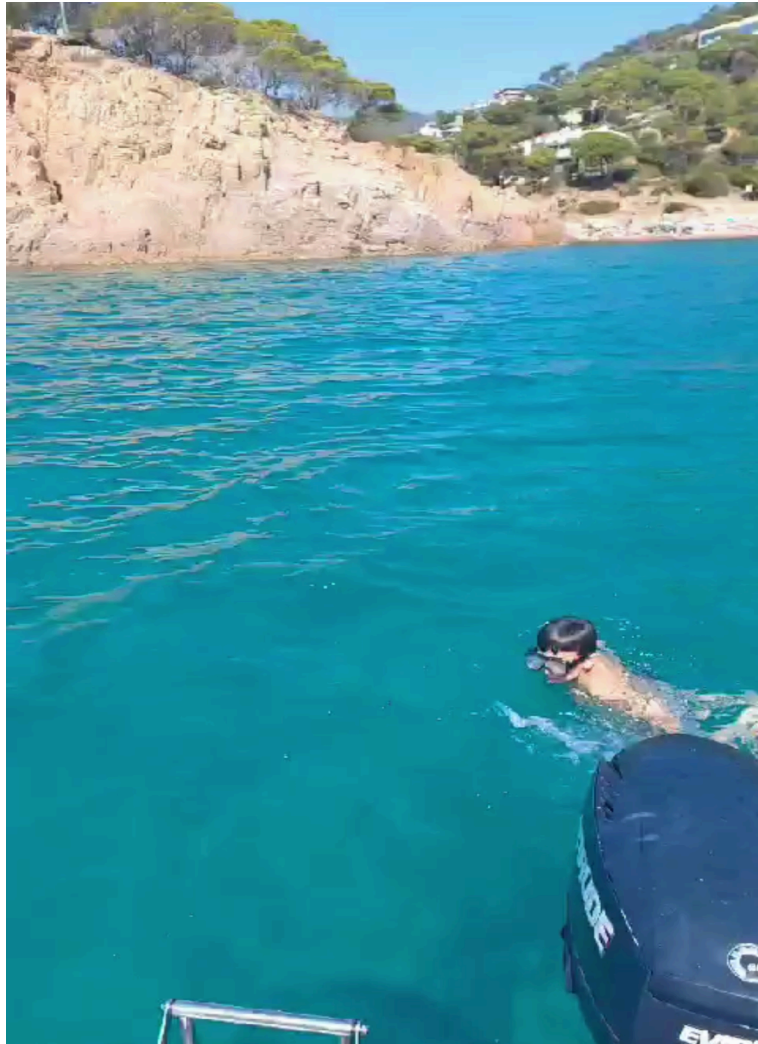

That day everything was frozen, it looked like snow. I saw a waterfall, birds, an owl, dogs and cats.

The air was cool. It was cold because it was winter. I went cycling with some friends for 9 hours. You can also go there and have a picnic.

I loved the place because it was peaceful and full of nature.

The best part was when we got to the top, the view was spectacular!!

ON A BEACH (JAN)

In this picture I was on a beach in Cala Salions, Catalonia, with my grandpa. We left the beach with my grandpa's boat and he and I swam on the mediterranean sea. The water was very clean!

There were many fish and we also saw some jellyfish. There were seagulls on the rocks.

It was very cool!!

National Park of Aigüestortes, in Catalonia (Jana)

In this picture I was in the National Park of AigüesTortes, in Catalonia. This park is in Alta Ribagorça, in the Pyrenees. I went to this place with my family.

In this place there are a lot of lakes, rivers and high mountains. There are many routes to do.

In this park we saw a roe deer, marmots, birds and fishes.

There are bears too, but we didn't see any.

That day was sunny and cold, because it was winter. There was a lot of snow. We saw a frozen lake.

We walked in this park, and then we had a picnic. Later we went to the shelter to do the desserts.

In this park you can also ski, climb or climb mountains.

I was very happy because I like doing excursions in the mountains.

A lake in Búbal, Spain (Jordi)

In this picture, I was in a lake in Búbal, in Spain. Around the lake there were some trees and in the background a big mountain.

There was a lot of water, small trees, little houses, and some mountains. The water was very blue and very clean. Finally, it was quite cold on this lake.

The weather was sunny and cloudy. It was in summer. I could hear the birds and the air.

I went kayaking with my parents. Also, I stayed in Bùbal for 4 days in an apart hotel. It was very cool because there was a swimming pool and a hydromassage bathtub.

I was very happy and I had fun, and I liked this experience of going kayaking. Also, I like nature a lot. They were very cute moments.

MOUNTAINS, IN MOIÀ (JÚLIA)

In this picture, you can see me and in the background you can see the Pyrenees.

I am in the mountains in Moià, my village when I live with my dad, Elisenda and my brother half the time.

The landscape is very beautiful, and you can see mountains, flowers, trees and the sky. That day was a little bit cloudy. In front of me is Cumbia and behind me is Kale. They are the two dogs that live in the farmhouse with us. They are always playing together in this land.

If you follow the path you arrive at a very old stone house. I always go there to find a little bit of peace. Also, sometimes it is very funny to disappear from my little brother.

MOLÍ NOU, IN MOIÀ (LARS)

In this picture, I was in “Molí Nou”, a place in Moià (a town in Catalonia). There were a lot of animals. There were a lot of rabbits and many birds. There were a lot of plants, there were many trees and a lot of rosemary. There you can go biking and hiking. That place is very beautiful and big and is very nice to go with your family and friends.

IN A RIVER (MAX)

I'm on a rock in a little river, with my arms open like I'm flying.
There are so many trees around me, and everything is green.
The water of the river moves slowly, I like this place.
]The weather was sunny and hot.

IN LA GARROTXA, CATALONIA (MIREIA)

In this picture, I was in “La Garrotxa”. I went to a campsite with my scout groups. The views were incredible.

There were big and small trees and very big stones. We didn’t see any animals but we heard many birds and the wind in the trees.

The weather was sunny and hot but in some times it was cold, there was a lot of wind because we were at the top of the mountain.

In this picture it was winter, but it doesn’t seem like it because I was wearing a short t-shirt and a thin sweater, and I wasn’t cold, I was fine.

During these days with my friends, we walked a lot and 6 of us were in bad shape, me too.

I had a great time with my friends, and we laughed a lot.

My connection with nature (Neus)

In this picture I was on a big rock in Sant Quirze Safaja, in Catalonia. There was a beautiful view. I love this place.

There are trees, especially pines. There are rocks, bushes and grass. I saw birds, dogs from the neighbourhood and sometimes wild pigs. The air was fresh, and I smelled like moist and grass.

The weather was sunny because it was summer. When I go there I hardly ever hear birds because the sound of the wind is very strong, and the birds are afraid of the cold. It's my favourite place to relax and stay good.

I usually go to this place when my cousin and my sister are in my house, we go there with the coat, and we eat chocolate and drink orange juice, and we talk about things.

That day I was happy and so relaxed. I miss these moments now with my sister and my cousin.

It is definitely my favourite place!

VESUVIUS VOLCANO IN ITALY (ROC)

In this picture, I was on the crater of Vesuvius volcano in Italy.
I was there 1 week ago.

The weather was very good, with lots of sun but a little bit foggy down in the valley.

The view was very beautiful.

There wasn't too much vegetation, because the rocks on the floor were volcanic.

The thing I liked the most were the smoke columns.

When I was there, I felt happy and free, because being at the top of an active volcano was one of my favorite things.

IN THE FOREST (SAFI)

In this picture, I was in the forest of the mountain that is next to the place where I live.

That day the weather was good, there was a lot of sunshine.

I like the mountain because I can hear the birds and see the natural colors but I don't like climbing it.

Also I like the animals of the forest: wild boars, deers, etc. The animals are very beautiful !!!

I don't like the plastics in the mountains.

At a river called “Kama” in Krasnokamsk, Russia (Sonia)

In this picture, I was at a river called “Kama” in Krasnokamsk (Russia), and I was 7 years old.

The weather was so cold, and snowing, because it was winter.

Also, there was my mother, my sister, my sister's dog, and my aunt.

In this place I was playing with my sister's dog, and lying in snow.

There was snow, in the background a river, and trees.

I was happy because it was funny. I like the place because it is very beautiful and calm.

My connection with nature (Tanio)

The place was in Andorra and it was so chilly there.

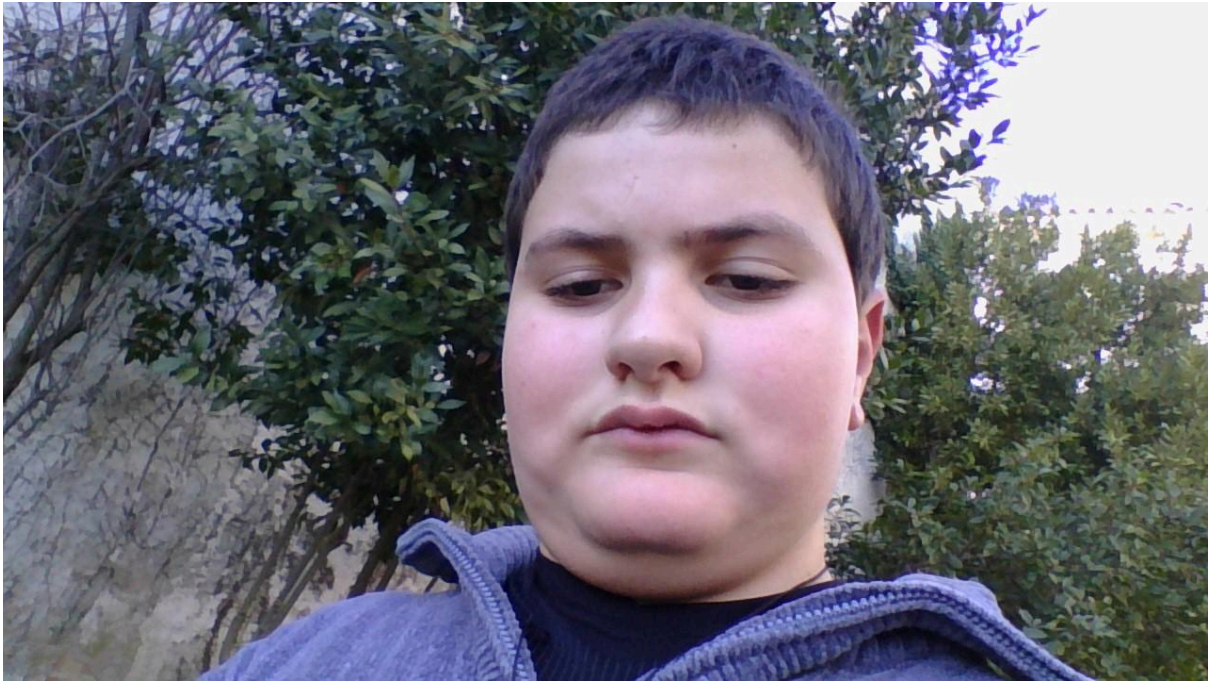

This is an iced lake. The lake was so cool and calm.

In that lake there were so many types of plants and trees, like pines or oak trees. In the lake, I haven't seen any animals, but it was cool anyways. You can step on ice and break it, maybe you can sit on one edge of the lake and relax. ç

The weather was sunny, but it was cold.
The sounds that we heard there were the ice breaking.

IN A MOUNTAIN (XAVIER)

I went to a mountain and in the background you could see green, it was beautiful. I found something old but I don't know what it is and I don't know what the mountain is called. I have to say that in the background you could see other mountains and the sounds were the wind and birds and I went with my family.

The cliffs of Normandy (Abraham)

In this photo I was on the Normandy cliff in France with my family. We had to walk a lot and it was also very hot, but the views were worth it, the sea was next to us and everything was very calm and very beautiful.

This place will change with the passing of the years. My advice is that you have to visit it before it disappears! It is a magical place that you have to see at least one time in your life.

The cliffs are called Etretat. We did all this in the month of September as tourists.

Cunit, a beach in Catalonia (Ada)

In this picture I was on a beach in Cunit, in Catalonia. The water was so cold, and the sand was very soft, there were many rocks, where you could find crabs. On the right there was a small cave, where a dolphin entered a long time ago and could not get out.

A FOREST IN CASTELLTERÇOL (AINA)

In this picture I was in a forest in the Castellterçol, in Catalonia. There are big trees, many leaves and also some bushes.

I hiked in the forest with my father and my brother. Higher up, there is the Castellterçol Castle.

I had a great time because I really like going to the forest, whenever I go to the forest, I feel very good and relaxed.

CREUETA, in Castellterçol (Alisson)

In this picture I was on a forest in the “Creueta”, in Castellterçol (Catalonia).

The place is beautiful there and there are a lot of mountains. The mountains are big and tall. Climbing the mountains is difficult because the mountains are very tall. When you are on the top, there are a lot of trees.

That day there were dogs, a lot of brown leaves on the ground, flowers and a lot of insects. The weather was a little cold because of the air.

I love this place because it is calm and there are a lot of animals and nature. The best part was the view from the top because you can see all Castellterçol. This was incredible.

MARBELLA, CHILE (ANA)

In this picture, I was in the house in Marbella [Maitencillo, Chile]. This house is next to the beach. I was with my brother and my cousins, we were playing with golf sticks.

In this place there are big trees, beautiful flowers, and you can see the sea. There is green grass, but some parts are light brown.

Sadly, I couldn't see animals, but I could listen to the birds. We spend the new year in this house, because we arrived on the 26th of December, and we came back the 2nd of January.

One day, there was a lot of wind and we screamed at the other houses.

I was super happy because it is the first Christmas and the first new year that we spend in Chile.

A beach in Menorca (Anna)

In this picture, I was in Menorca, a little island near Catalonia. I went to this island with my family.

I was at the beach. There are big stones, so people can jump from that stone. There are a lot of rocks in the sea and stairs so people can go upstairs. I saw one jellyfish, a lot of fishes and crabs.

The weather was very, very sunny and cool because it was summer!! I could hear the birds singing and the sound of the water from the sea.

I was very happy because I was with my family! I loved this place because it was a very beautiful and calm place. The best part was when I jumped from the highest rock.

IN A FOREST (BILAL)

Hello, I'm Bilal and this is me in the forest. In the forest there were a lot of different species of animals and plants. The species that I noticed were a lot of flowers like a lavender and daisies, and there was a little animal but when I arrived it escaped, and I don't know what the animal was.

In the forest you can do camping, investigate, take photos of animals or plants or make routes in the forest. The weather on that day was so cold, like 8.3 degrees, I visited the forest on 1 of January 2025. In the forest, I feel calm and relaxed.

PASSAIA, A TOWN IN THE BASQUE COUNTRY (CARLOTA)

In this picture, I was in Passaia, a town of Basque Country. I was in a boat. I was in a boat because the sea divided the town in two parts.

My family and I went to the boat museum, and we had to cross the river with a boat.

There is a big forest in a part of the town, and we went in this forest. It was so cool!

The weather was cloudy and hot because it was summer.

In this town you can visit the museum, walk near to the beach, go by boat...

I was happy because it was so cool!

On a beach in Empúries, Catalonia (Cèlia)

In this picture I was on a beach in Empúries (Catalonia), the place is very big and gorgeous.

There are some plants, trees and a lot of sand. I saw seagulls and it smelled like salt.

The weather was very sunny, it was very hot. I could hear the seagulls and the waves of the sea.

In this place I can swim, make sand castles, do scuba diving, sleep and a lot of other things more.

I was very happy and very excited because the place is very nice. The biggest impression for me was the sea because the water was very clean.

Mount Chelmos, Greece (Clàudia)

In this picture I was in the Peloponnesse (Greece) and I was climbing a high mountain called mount Chelmos. There are very beautiful views.

There were a lot of high mountains, and a lot of tall trees. Sometimes when you passed by a plant you could smell it, but I didn't smell much.

There I saw a lot of crickets, butterflies and some goats during the journey, and also there were some plants and flowers.

I climbed this mountain with my parents and my older brother, it was so cool.

The weather was very sunny and hot because it was summer, and I heard the sound of the crickets, the trees and the birds.

It was funny, and the best part was when we arrived at the top, the views and the things that we did there.

SANT QUIRZE SAFAJA (CORA)

Here I was in a meadow where there were cows. In sant quirze de safaja there was green grass and flowers. I could hear the sound of the cows' rattle.

In a mountain (Dàlia)

In this picture I was in the mountain near “Pedraforca” looking for mushrooms. Pedraforca is a very high mountain, this mountain is in Catalonia.

In this place there are trees, plants, high mountains, etc. I saw birds, cows, snakes and bugs.

That day I had a picnic: I ate pasta with tuna, crab, and corn.

In the end, we picked a lot of mushrooms.

AT THE SEA IN IBIZA (ELSA)

In this picture, I was at the sea in Ibiza, in Catalonia. This place was very beautiful because there was a sunset.

There are ships, a lot of water, and rocks. Further down there is a beach where you can swim and shop.

The weather was sunny and cool because it was summer. I heard the waves of the sea.

I took pictures of the sunset with my family. We were there for 12 days in an apartment. You can also go there and have a picnic.

I was very happy. I loved the place because it was calm. It was amazing!!!!

In the mountains (Izaskun)

- The sky was grey.
- There were a lot of stones and grass.
- There was one tree without leaves, and it was grey.
- There was a giant stick behind me, which held electricity.
- From this place you can see many towns and also Barcelona.

IN FRANCE (MARC)

My family went to a reserve in France. In the reserve there are bears, giraffes, small kangaroos, ostrich, flamingos and bulls. We had lunch while looking at monkeys and gorillas.

SANT JULIÀ, CATALONIA (NAÓ)

Here is the way to go to Sant Julià. It is a very pleasant and beautiful. It is perfect to go with family or friends. It has very good views.
