V In the first 4 days I set up my Christmas tree with my family.
E And one day before December 25, my mother and I prepare the food for the next day. I usually take care of the first course.

Hello! We are from Spain our names are Nicol and Carolina. For writing this card to you. We are 10 years old. Carolina likes reading poetry and Nicol likes swimming.

In Spain we put up the christmas tree and the Navity scene. Here dosen't snow. We decorate the street with lights. We give food to the people that need it. We spend the christmas with our family.

At New year we spend time with family and frinds. We wait until twelve o'clock at night and we eat twelve grapes.

The 5th of January we celebrate the 3 Wise Men and we eat a cake called the roscon de reyes.

Merry Christmas and happy New year.

Bye.
