Merry Christmas

Hello! Merry Christmas. We are Anyi and Luna

We are 11 years old. We live in Grau Gandía.

In our school we make little figures for the Nativity scene. We make them in class.

We decorate the school with Christmas ornaments. At home we setup the Christmas tree and the Nativity scene too. In the streets they decorate with lights and figures and setup big trees with lights. On the 24th of

December we all get together for Christmas dinner and give each other presents. On

December 31st we get together and at 12 o'clock at night we eat 12 grapes with the strikes of the bells.

Goodbye! and have a Merry Christmas!

Hello friends! These are our Christmas cards for you. Merry Christmas and happy New Year! 🎄🌨️

ocarogo11@gmail.com

Hello! We are Olimpia and Sara. We are 11 years old, and we live in Gandia.

We want to talk about our Christmas in Spain. We celebrate Christmas decorating with a tree and a "Betlem" (little figures we recreate Jesus birth)

We have the advent calendar (calendar with pockets that you can put the sweets you want)

On Christmas eve we go to our family's house to celebrate Christmas with them

At New Year's eve we go to our family or friends home. We normally watch Cristina Pedroche (famous Spanish celebrity) on TV and we wait for 12 strikes of the bells. It is a tradition to eat 12 grapes while the strikes in Spain.

On January 5th, the three Wise Men come and, like Santa Claus, bring us gifts. And on the same day, we eat the "Roscon de Reyes" (truffle/cream filled cake)

And this is our Christmas
goodbye and happy holidays

Hello! We are Sara Ascó and Lucía Artés. Have a good day, bye!!!

Merry Christmas!

Hello, we are from Valencia, Spain
Our school is M.A.S CALDERON

This letter is made by Riana, Valeria and María

It's made with all the enthusiasm in the world, and we want to explain a little about our Christmas here in Spain. We start! The streets are adorned with Christmas accessories, for example we have Christmas balls, Christmas trees and snowmen. Families get together for family dinner, talk about how the year has gone. And then... Santa Claus arrives, of course, one of the family has always seen him. The houses are also usually decorated with Christmas trees. Santa leaves the gift we put a carrot, milk and cookies for the reindeer to eat and drink the milk and the nativity scene. Thank you very much and have a Merry Christmas!

I hope you liked our Christmas card

Merry Christmas!

Hello friends from Greece! We are Sara Ascó and Lucía Artés. We are eleven years old and we are from Gandía and Xeresa. We study at M. A. S Calderón school and we like playing volleyball, cooking and dancing.

In Spain we have a lot of traditions, the most famous ones are to put up The Native Scene and the chistmas tree, to eat 12 grapes in New Year's Eve, eat the "Roscón" and nougat and to open the presents of the three wise men.

In the school we sing carols, bring food for the poor people and we decorate the it.

Here we finish our Christmas card

A big hug from Sara and Lucía

Hello! We are Irene, Sara and Heila. We are from Spain and we are eleven years old.

In Spain we celebrate Christmas like this. On a Christmas Eve we have dinner with our family

and friends. We eat typical dish like nougats, chocolates, salad, croquettes and ham.

We also celebrate New Year's Eve: we have dinner and have the twelve grapes, and then we celebrate 3 wise men coming: let's go to the parades and have chocolate with "churros" or "roscon".

We hope you have a Merry christmas!
