

Tour guide of Greece

Greece is one of the most popular tourist destinations in the world. Its natural beauty, its historic past, Greek hospitality the incredible sea, the nightlife and excellent food combine a wonderful place for vacation.

The climate in Greece is mainly Mediterranean. It rains from the sea from east to south and west. Our country has mild, wet winters and hot dry summers.

There are hundreds of beautiful islands for somebody to visit as well as important cities. One of these cities is the capital of Greece, Athens. There are many ancient monuments that must be seen, such as the Acropolis, the Parthenon, the new Museum and other sights.

Greece is wonderful, visit it. [But not this year]
